# The Study

## **BUILDING BRIDGES**

### *Tasting Nets*

The 15<sup>th</sup> Annual Ladies Retreat offers an opportunity to ask what it means to be a woman as we explore key fundamentals of biblical womanhood through Mary Kassian and Nancy DeMoss's True Woman 101: Divine Design. The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. As we learn, we use our words to build bridges between ourselves and others; and even between ourselves and God.

Come join us this year at this year's Ladies Retreat and discover and embrace God's design and His mission for the life He has for you.
